

BENEFIT™ is a complete detergent formulated to meet the demands of a linen supplier. Works on a wide range of soil classifications and produces high-quality results simply and conveniently.

- **Concentrated.** 100% active formula is economical providing lower use costs.
- **Fast Rinsing.** Fast rinsing properties save water and time and increase effectiveness of bleach.
- **Optical Brighteners.** Contains color enhancers which brighten colors and whites.
- **Anti-Redeposition.** Combination of ingredients are specifically designed to prevent redeposition of soil and greying.
- **Water Conditioners.** Will perform well in hard and soft water and at high and low temperatures.

USAGE: light soil 1 lb.
 medium soil up to 3 lbs.
 heavy soil up to 4 lbs.
(Based on 100 lb. load)
